Fundraising @ McDonald's

All of services listed in this brochure are opportunities we provide as a community service for non-profit community organizations.

Orange Bowls

Community Groups can use our orange bowl for activities that support their organization. We will provide cups, and 1 gallon of orange drink syrup. We ask for a \$40.00 deposit for the orange cooler that will be refunded when the orange bowl is returned.

Car Washes

We will allow groups to use our parking lots for car washes to raise funds. We will designate a spot on our parking lots and provide the water. The community group keeps all funds raised.

Community Nights

Local Community Group Nights are good fundraisers that can get your group involved as a team and will give them a fun opportunity to raise money and experience our restaurants from the inside.
